THE PAUL GAUGUIN *experience*

Paul Gauguin
CRUISES

TAHITI, FRENCH POLYNESIA & THE SOUTH PACIFIC

A PACIFIC BEACHCOMBER COMPANY

The *m/s Paul Gauguin* was designed specifically to sail the shallow seas of Tahiti and French Polynesia, visiting small ports that larger ships can't reach and effortlessly blending into the stunning natural beauty of the South Seas. She offers an extension of the informal, relaxing environment of the islands, coupled with five-star service, comfort and luxury. Spacious suites and state-rooms (more than 70% with private balconies), an onboard watersports marina, a choice of three open-seating dining venues and an extensive spa are among her luxurious attributes. The atmosphere aboard ship radiates warmth, informality, and Polynesian flair. And our beloved troupe of Gauguines — a local Tahitian group who serve as cruise staff, entertainers and storytellers — add the unique personality of Tahiti to every cruise.

On this Journey in the South Seas, you'll discover the isle of Huhine, renowned for its spectacular rain forests. Then experience the unique majesty of the Cook Islands. Arid Aitutaki is virtually flat-so much so that you can spot the ocean from nearly any point on the island, sitting in sharp contrast to sister island Rarotonga's jagged peaks and deep valleys. Rarotonga's fertile slopes of red earth and sparkling aquamarine lagoon call to mind the classic Victorian ideal of paradise, which the island was called by its first European explorers. Return to the Society Islands for days in alluring Bora Bora, Taha'a, Moorea, and Papeete.

SOCIETY ISLANDS

Paul Gauguin was inspired by them, Rogers & Hammerstein immortalized them in song, and James Michener wrote, "Anyone who has ever been there wants to go back." Discover the "Garden Island" of Huahine, with its lush rain forests and dramatic terrain. Explore the verdant peaks, crystalline waters, and pristine beaches of these magnificent volcanic islands, from dolphin-watching at Moorea to snorkeling off Bora Bora. Enjoy an unforgettable day on our own private motu (islet) off Taha'a.

COOK ISLANDS

The Cook Islands are a study in contrasts, with Aitutaki so flat you can see the ocean from virtually any point on the island and Rarotonga made up of jagged peaks and deep valleys. The islands' natives maintain a strong traditional culture through song, dance, legends, and crafts like intricate quilts inspired by nature known as tivaevae.
